

Remarks

The July 20, 2006 Office Action indicated that claims 13-20, 24-36 and 45-46 were allowed, but continued to reject claims 2, 7-10 and 12 based on art. Claim 2 was further objected to in view of the repeated use of "at".

The above amendment cancels claims 2, 7-10 and 12, thereby rendering all remaining rejections moot. Since this resolves all remaining rejections and objections, consideration of this amendment in after final practice is believed appropriate.

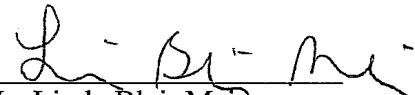

This cancellation is made without prejudice to filing a continuation. Given the agreed allowable subject matter, Applicants wish to proceed with issuance on that subject matter in the most expeditious manner.

Conclusion

In view of the above amendments and remarks, reconsideration and allowance of the remaining claims is respectfully requested. No additional fee is believed necessary for consideration of this amendment. However, if one is, please charge it to Deposit Account 10-0849.

Respectfully submitted,
DOUGLAS A. SOLLER ET AL.
